

Changes 2009

January 1, 2009

Dear Friends,

Many of you have followed the history of WCL since I founded my own Company in 1999. After 10 years it appears to be the right time to initiate changes and to present a new structure.

Effective January 1, 2009 WCL stands for "Worldwide in Consultants in Logistics". In December 2008 I have officially registered a new official Company name:

WCL WilConLog e.K.

The registration no. is HRA 5792 HL at the court of Luebeck. The brands "WCL" as well as "WCL WilConLog" are also officially registered brand names (DPMA).

Under the official Company name there will be 3 different products (divisions). The key product is "WCL - Worldwide Consultants in Logistics". Additional products are "Plus 50 Jobs" as well as "WTC" (non-logistics related activities).

The new office location of "WCL – Worldwide Consultants in Logistics" will be

D-22927 Grosshansdorf (Hamburg-Germany)
